

VOTE FOR YOUR LOCAL CANDIDATE - VOTE LABOUR on the 2nd MAY

Ruth Goodall

I've lived in Weston for 38 years. I've been a parish councillor, village hall trustee, youth club leader and a school governor. I know about the big and small problems communities face and I welcome working with people from different backgrounds.

I raised money to build Hall for All and the play area, and have successfully defended my community at district and county council meetings, and at public inquiries. I know how things work and how to get things done.

Currently I'm working with residents from Weston, Morton and Attlebridge to produce a new Parish plan. As your district councillor I'll be committed to solving problems and getting the best results for my local community.

Ways to get in touch

-  01603880000 / 07761627622
-  Broadland Labour Party
c/o The Cottage,
Weston Green Road,
Weston Longville,
NR9 5LB
-  broadlandlabour.org.uk
-  ruthgoodall@btinternet.com

The way forward is with Labour

WHERE WE ARE NOW:

More people using food banks
Greater inequality
Privatised and under funded education
Anti social behaviour on the rise
25% more children in care since 2010
Rising numbers of homeless people
Lack of support for children with special needs

WHY WE NEED CHANGE IN BROADLAND

For too long the Conservatives have had a majority in Broadland. This leads to indifference, complacency, and a loss of contact with local people.

As a Labour councillor it will be my job to hold the Conservatives to account on behalf of my community, and to defend and promote the interests of the Norwich 'fringe' parishes, which make up the Great Witchingham Ward. (which also includes Weston, Morton, Attlebridge, Honingham, Ringland, Swannington, Booton, Briston, Haveringland, Alderford, Brandiston and Little Witchingham).

MY PRIORITIES AS A DISTRICT COUNCILLOR

- ✓ As a councillor I will be available to support and advise parish councils and individuals, and will work with other sympathetic councillors.
- ✓ Support plans which give young people and families homes of the right kind in the right place.
- ✓ I will encourage developments which have the infrastructure to support them: jobs, schools, and services, and recognise that villages need some growth to stay alive.
- ✓ I will campaign to restore public services and reduce the impact of cuts
- ✓ I will encourage new businesses, and promote jobs, apprenticeships and educational opportunities
